

## **Falmouth Beautification Council**

Our Scholarship Program will assist Falmouth residents in their studies of Botany, Environmental Science, Forestry, Horticulture, Landscape Design, or related fields.

## **Falmouth Beautification Council**

Whether you are just beginning or continuing a program of post-secondary or graduate studies, you are encouraged to apply for one of the two \$1,500 Scholarships the Council is making available for the Academic Year 2009-2010. Having won a previous Scholarship does not prevent you from applying again.

Please write a brief essay describing your interest and your goals relating to your chosen field of study. Either submit the essay along with the application on the reverse of this form to your Guidance Department or mail the essay and completed form to:

**Falmouth Beautification Council  
Scholarship Committee  
PO Box 272  
Falmouth, MA 02541-0272**

For details call  
508-548-3992 or 508-540-8104

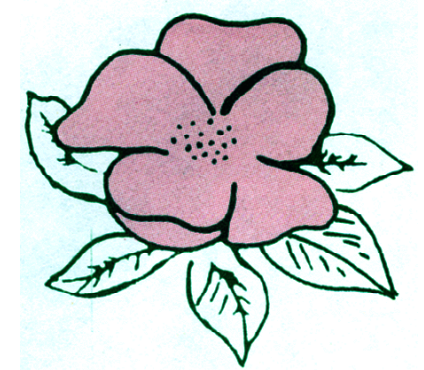

was organized in 1966. Its mission is to encourage and promote activities, including those charitable and educational, that will beautify the Town of Falmouth.

The Council meets at 7:00 pm the first Thursday of each month at the Senior Center on Dillingham Ave.

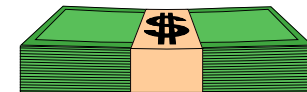

New members are welcome.
